M.Tech Admissions 2022
System Administration Lab

SKILL TEST
-----------------
- Those candidates who have System Administration Lab as one of their preferences have to appear for the corresponding skill test.
- The skill test would be a **take-home programming assignment** that would test your skills in server/network administration and web development. The tasks will fall broadly into the following categories:
  - Bash scripting
  - Programming (C/C++/Python/Java)
  - Web development (HTML+CSS+JS/SQL/PHP)
- You are free to use your own PC environment and/or any online coding platforms such as HackerEarth, HackerRank, etc to code up the assignment. You can also make use of resources over the internet to help you with the assignments but you are strictly advised against any malpractices such as getting assistance from others, as such activities if caught during subsequent rounds would lead to rejection of your candidature.
- There will be a **mock test** on 5th June 2022 from 10:00 AM onwards to familiarize candidates with the submission environment. The mock test will be open till 06:00 PM on 5th June 2022. The details would be communicated via email by 08:00 AM on 5th June 2022. [Mock test link will be mailed to shortlisted candidates]
- The **actual skill test** will be held on 6th June 2022 from 11:00 AM to 06:00 PM. The details would be communicated via email by 10:00 AM on 6th June 2022. [Skill test link will be mailed to shortlisted candidates].
- In case of any queries, write back to us at raadmin@ee.iitb.ac.in.

INTERVIEW
-----------------
- Based on the performance of the skill test, the list of the shortlisted candidates would be posted on the IITB EE website by morning, 8th June 2022, and the same would be communicated to shortlisted candidates via email.
- The shortlisted candidates will have to appear for a brief online interview on 8th June 2022, the details of which would be shared with the selected candidates via email.
