

Department of Electrical Engineering IITB

PhD Admission

Autumn semester

Academic Session 2021-22

Selection Process

- Due to Covid-19, no written test will be conducted. Shortlisting for interview will be done in two steps given below.
- A preliminary shortlisting based on CPI / GATE score (Please see details later)
- Main shortlisting based on academic and research background
- Main interview
- Interviews for individual projects
- All interviews will be held over video conference / telephone. Details will be communicated to the shortlisted candidates later.

Short-listing Criteria for Interviews

- Approximately 140 candidates will be shortlisted.
- For IS category, all candidates scoring more than the cut-off standard of academic / research background of SC/ ST students will be shortlisted.

Preliminary shortlisting

- All general category candidates who have completed or are in the final semester of an ME/MTech/MSc(Engg)/MS with a minimum CPI of 8 (on a scale of 10) or aggregate marks of 75% (when CPI is not available) at the end of the most recently completed semester will be shortlisted.
- General category candidates with B.Tech from an IIT/CFTIs with a CPI of at least 8 will be shortlisted.
- General category candidates with B.Tech/M.Sc. from any institute with a valid GATE score of at least 700 in eligible disciplines will be shortlisted.
- For reserved categories, appropriately reduced cut-offs will be used as per reservation rules in all the above cases.
