## CALL FOR PAPERS AND PARTICIPATION

Original contributions and review papers based on theoretical research, simulation, experimental work, development, design, testing and measurement work are solicited for presentation at the "National Conference on Communications (NCC-2002)" to be held at IIT Bombay during January 25-27, 2002. All the accepted papers will be published in the Conference Proceedings. The areas of interest include, but are **not limited to**, the following:

- ✍ Microwaves, Antennas and Radar Systems
- ✍ Signal Processing, Image Processing and Computer Vision
- ✍ Emerging Technologies in Communication
- ✍ Networking and Information Technology
- ✍ Fiber Optic Communications
- ✍ Telematics

**Four (4) copies** of the full paper in a **camera ready** form must be submitted by the prospective authors according to the following format. The style file may be downloaded from the NCC-2002 webpage.

- ✍ Maximum length of the paper: 5 pages of A4 size, all inclusive.
- ✍ Margins: 1 inch all around.
- ✍ Font size: 11 point
- ✍ Two column format
- ✍ The first page must include the title together with the names of the authors, and their affiliations, phone numbers, email addresses and the abstract (limited to 50 words)
- ✍ Soft copy of the paper to be sent by email

Proposals are also invited for **Tutorials** on current topics in communication. Proposals are welcome for industry presentations, product development sessions, invited lectures from eminent experts, panel discussions and exhibitions.

It is mandatory for at least one author of an accepted paper to register for the conference. The registration fee is Rs. 2,500/- per participant. However, bonafide students will be permitted to register with a fee of Rs.750/- per student, but they will not be given a hard copy of the Conference Proceedings.
