

**Continuing Education Programs (CEP) Conducted by Prof. S. V. Kulkarni, EE Dept, IIT Bombay**  
**(In reverse chronological order)**

<b>Sr. No.</b>	<b>Title of program</b>	<b>Conducted in</b>	<b>Remarks</b>
1	Electromagnetics: Principles and Applications	October 9-13, 2023	Organized for faculty members of Walchand College of Engineering, Sangli, and other DTE Engineering Colleges in Maharashtra
2	Electromagnetic Fields and Waves: Theory and Applications	July 1-5, 2019	In-house Course for VJTI held at IIT Bombay
3	Electromagnetic Fields and Waves: Pedagogy & Computation	November 12-16, 2018	Organized an CEP short term course for academia and industry at IIT Bombay
4	High voltage engineering	27-29 January, 2014	Organized an in-house CEP for ECIL, Hyderabad, India
5	Transformer Design	18-19 July, 2011	In-house program for Crompton Greaves Ltd, Malanpur, Gwalior
6	Design, analysis and diagnostics of power transformers	20-21 December, 2010	In-house program for AREVA T&D, Allahabad, India
7	Design, analysis and diagnostics of power transformers	14-15 December, 2010	In-house program for Transformers and Rectifiers (India) Ltd, Ahmedabad, India
8	Engineering electromagnetics	6-10 December, 2010	Organized an in-house CEP for Gujarat Technological University at Surat, India
9	Power transformer design and applications	5-7 July, 2010	In-house program for Crompton Greaves Limited, Mumbai, India
10	Transformer Design	15-16 April 2010	In-house program for BHEL, Bhopal, India
11	Design, analysis and diagnostics of power transformers	14-16 March, 2008	In-house program for ABB, Vadodara, India
12	Design, analysis and diagnostics of power transformers	19-21 December 2007	In-house program for Vijai Electricals, Hyderabad, India
13	Engineering Electromagnetics and Finite Element Method	28-30 November 2007	Organized an in-house CEP for Siemens, Switchgear Division, Kalwa Works, Thane, India
14	Operation, maintenance and diagnostics of large power transformers	24 <sup>th</sup> June 2006	In-house program for Nuclear Power Corporation of India (NPCIL), Tarapur, India
15	Engineering Electromagnetics and Finite Element Method	28-29 December 2005	Organized an in-house CEP for GE India Innovation Center, Hyderabad, India
16	Computational Electromagnetics	21-25 November 2005	Organized an open CEP Course for academia and industry at IIT Bombay
17	Challenges in design of	15-16 April 2005	In-house program for Voltamp

	transformers		Transformers Limited, Vadodara, India
18	Design of transformers	11-12 February 2005	In-house program for EMCO Limited, Thane, India
19	Numerical methods in electromagnetics: theory and applications	December 2004	Organized an open CEP course for academia and industry at IIT Bombay
20	Design of transformers	October 2004	In-house program for Crompton Greaves Limited, Mumbai, India
21	Design, operation and maintenance of transformers	May 2003	Open Course
