(Virtual Conference)

SPONSORSHIP BROCHURE

Jointly hosted by:
IIT Bombay, IIT Dharwad, IIT Gandhinagar,
IIT Goa, and IIT Indore
The Twenty Eighth National Conference on Communications (NCC-2022) will be jointly organized by IIT Bombay, IIT Dharwad, IIT Gandhinagar, IIT Goa, and IIT Indore. NCC 2022 will be held virtually on 24 - 27 May 2022. The conference will feature a comprehensive technical program, including several symposia, tutorials, and invited sessions.

The National Conference on Communications (NCC) is arguably the most important national conference today in India in the areas of communications, signal processing, and networks. The National Conference on Communications is India's premier annual conference organized by the Joint Telematics Group (JTG), consisting of IITs and IISc. The JTG is a coordinating body whose primary role is to facilitate the conduct of the annual conference and closer interaction of academia, industry, and government in the broad area of communications.

In a span of little more than two decades, the conference has acquired substantial recognition and is now widely known in many countries overseas.
